

## Albert Builders architectural drawings

DIGITAL COLLECTION, ALBERT\_DC

---

### Collection Contents

**Albert Builders architectural drawings** (498 records)

The Albert Builders collection consists of architectural drawings produced by and for the Grand Rapids-based Albert Builders firm. The drawings are primarily single-family homes designed between the mid-1950s and 1960s. The images presented here are mostly front-elevation drawings; additional details and drawings can be accessed on-site from the archives.
