TITLE:	Grand Rapids Airport
IDENTIFIER:	43-1-2.88
DESCRIPTION:	The building is a large but simple shed-style hangar, with five small-paned windows along one side and a large sliding door (partially open) at the end. Multiple floodlights are mounted on the roof of the building, aimed at the roof, sides and ends of the building. There is also a windsock mounted at the peak of the roof. Two automobiles are parked in front of the building. The yard is of dirt, with some sparse grass.
